

MATH 8
POINTERS TO REVIEW
3RD QUARTER
2019-2020

- Statements
- If-then statements and If and only if statements
- Converse, Inverse and contrapositive of if-then statements
- Proving Mathematical Statements
- The Axiomatic System
- Axiomatic Structure of Geometry
- Congruent Figures (including tessellations)
- SSS Triangle Congruence
- Proving Triangle Congruence (The SAS Postulate)
- The SAS and ASA Congruence Postulates
- The SAA Theorem and Perpendicular Bisector Theorem
- Congruent Right Triangles Or RHS Congruence
- Theorems on Isosceles Triangles
